## FINES AMOUNTING TO \$220 ASSESSED

Eight Stand Owners With Burns  
Carnival Company Arrested  
Unexpectedly Late Saturday

### THREE CASES ARE NOLLIED

Five Others Plead Guilty and Rou-  
lette Wheels Are Confiscated and  
Will be Destroyed

The Burns' Carnival Company, which showed here last week on the South Main street grounds, was turned into a Sunday school picnic Saturday afternoon about 3 o'clock when Prosecutor A. C. Stevens had the officers serve warrants on eight men in charge of stands operating wheels of fortune, and which resulted in the men paying fines totalling \$220.50.

Without any warning, and after the stands had been operated all week, the warrants were issued for the arrest of owners operating stands and exhibiting gaming devices, and Sheriff Hunt, Deputy Spradling and Patrolmen Nicholson, Havens and Lakin visited the carnival and brought eight men and four roulette wheels into court.

The men pleaded not guilty, and were held on \$100 bond, and failing to give the bond, were detained in the court room while one of their members was given a period of grace in which to raise money to pay their fines.

Five of them entered a plea of guilty about six o'clock, and Judge Sparks fined each of them \$35 and costs, which made each fine \$44.10, or a total of \$220.50, and the other three affidavits were nollied. All were charged under the "John Doe" warrants.

The four wheels confiscated were in jail, and will be ordered destroyed on an order by the court.

After the men had paid their fines, the carnival operated Saturday night with only the shows running, as very few stands were opened for business.

## IMPROVED BUSINESS CONDITIONS SHOWN

Commerce Department Records  
Show Larger Production And  
Increased Export Trade

### RETAIL PRICES DECLINE

(By United Press)

Washington, May 8.—Business conditions are improving and the records show larger production and increased export trade, the commerce department announced today.

Manufacturing industries are working on good schedules, the department said. The figures, however, are not sufficiently complete to show how greatly the increased activity of the factories reflects buying by the public.

Retail prices continue to decline, the report said, the cost of living showing a drop of three points during March. The greatest was in food costs. Commercial reports show both the wholesale and retail trade "spotty" but with evident improvement over preceding weeks.

From figures available it is clear fundamental conditions are much better and there is every reason to expect business to improve steadily although perhaps slowly the department said.

With world conditions as they are today, there is no likelihood of an immediate boom movement. Reconstruction in Europe is far behind what it is in this country. In general, big economic movements are world wide in their scope.

### EMERGENCY OPERATION

Miss Lillian Priest underwent an emergency operation Saturday afternoon at the St. Anthony hospital in Terre Haute, for appendicitis. Miss Priest is the daughter of Mr. and Mrs. George Priest of this city, who went to her bedside Sunday. Mrs. Priest remained with her daughter, whose condition is regarded as serious. Miss Priest is attending school at the State Normal college in Terre Haute.

## FUNERAL SET FOR TUESDAY

Paul Hill, Age 52. Formerly of This  
City, Dies in Indianapolis

Paul Hill, age 52 years, a former resident here and son-in-law of Mrs. John Schattner, expired Sunday at Indianapolis following an operation at the St. Vincent hospital. The remains will be brought here tonight about 6 o'clock from Indianapolis, and taken to the home of Henry Heckman, in West Tenth street. The services will be conducted Tuesday morning at 9 o'clock at the St. Mary's Catholic church in charge of the Rev. Father Francis Schaub, and burial will be made in Calvary cemetery.

The deceased is survived by one son, John Hill, and several distant relatives.

## COMMANDERY HOPES FOR BIG ATTENDANCE

If Bad Weather Intervenes and  
Stops Work on Farm, Big  
Crowd For Conclave is Likely

### JUDGE SPARKS TO ADVANCE

If bad weather intervenes and stops work on the farm, Rushville commandery No. 49, Knights Templar, will likely have a banner attendance at the sixty-eighth annual conclave of the Grand Commandery which will be held in Indianapolis Wednesday and Thursday. Many farmer members of the local commandery will be unable to attend if the weather is good because of farm work having been delayed by spring rains.

Rushville's winning of an attendance cup again this year hinges on these conditions. In any event, Rushville commandery will be well represented, it is believed. Many Knights will drive in machines and others will go on the I. & C. Traction line, special rates having been arranged.

Judge Will M. Sparks, who was elected grand warder in 1920, which is the first step in the path which leads to the grand commander's office, will be advanced to the office of grand standard bearer this year, and Wilbur Stiers, past commander of Rushville commandery will have a place on the staff of the grand commander and will appear with the staff in the parade.

Rushville commandery will again have headquarters in parlors A and B of the Lincoln hotel. A special invitation has been extended for wives of Knights to attend as special entertainment will be provided for the ladies, tickets for which may be obtained at the Claypool hotel.

## CARNIVAL OWNER TO BE TRIED THURSDAY

James O'Brien Charges Robert  
Burns With Assault and Intent,  
Following Alleged Trouble

### INVOLVES PLANTATION SHOW

Robert Burns, owner of the Burns Carnival Company, which exhibited here last week, was arrested late Saturday on a charge of assault and battery with intent to kill, and when arraigned before Justice Stech entered a plea of not guilty, and will be given a further hearing on Thursday morning at 10 o'clock.

The charge was preferred by James O'Brien, owner of the Plantation show with the company, who was attacked one night last week, and hit across the face with an iron bar, the blow knocking out five teeth. He also filed an affidavit against James Winters on the same charge, but he was not arrested.

Burns was unable to provide bond, and was allowed to go upon promise to return Thursday. The shows are exhibiting this week at Columbus.

O'Brien in a statement today said that it was the intention of his assailants to kill him, and toss his body in the river, so that they could get possession of his show. He also said that the owner of the carnival took his show to Columbus, without his permission.

## RETURN FROM THE PURDUE ROUND-UP

Members of Four H. Sewing Club of  
Union Township and Boys Pig  
Club Attend Annual Event

### SEWING CLUB TO BE ENLARGED

Members of the Four H. Sewing club of Union township and the Boys Pig club have returned from Lafayette where they attended the annual Purdue Round-up last week.

The sewing club girls were chaperoned by Mrs. Oscar Rees, who directed the organization last year and will again be in charge this year. It will include a baking club this year and girls from ten to eighteen years of age will be eligible. An effort will also be made during the year to organize in other townships. Union township girls wishing to enroll may call Mrs. Rees or County Agent Ball.

The sewing club girls attending the Round-up were as follows: Wilma Hunt, Naomi Nash, Helen McClure, Dorothea Mauzy, Mildred McMillin, all first year girls; Maxine Vandeventer, Helen Hinchman, Ruth Billings and Alice Peters, second year girls. The trips of the Misses Hunt and Vandeventer were paid for by the Union Township Farmers association as prizes won at the Rush County Products show and Miss Hinchman was sent by the Glenwood bank and the Peoples National bank as a prize won in the products show.

Richard Newhouse and Paul Oldham were members of the Boys Pig club who attended the Round-up and they were in charge of Fred Oldham and Mr. Miller.

## ASKS HUGHES FOR LIGHT

Borah Wants to Know About \$187,-  
000.000 Advanced to Russians

(By United Press)

Washington, May 8.—Secretary of State Hughes today was called on by Senator Borah to throw some light on the advance of \$187,000,000 by this government to Boris Bakhmeteff, accredited ambassador of the defunct Kerensky government of Russia.

Borah read a list of seventeen questions designed to show what had become of the money. Borah gave as the reason for reading the seventeen questions in the open senate the apparent desire of Secretary Hughes to have all dealings with Bakhmeteff go through "diplomatic channels."

## CARL TRIAL DATE IS SET

Case of Former Rushville Woman  
To be Heard at Shelbyville.

Shelbyville, Ind., May 8.—The trial of Mrs. Clara Carl, of Hancock Co. held in the Shelby County Jail on a charge of murdering her husband and her father-in-law, was set for trial Monday, May 22, by Judge Alonzo Blair in the Shelby circuit court Saturday afternoon. The judge has allotted two weeks for the trial in the calendar for the May term of the circuit court, which opens May 15. Mrs. Carl's case was brought here from Hancock county for trial on a change of venue.

## RUEBEN HENLEY FUNERAL

Services Held Today For Respected  
Carthage Citizen

Rueben Henley, a highly respected citizen of Carthage and a retired farmer, expired at his home in that place Friday night, and funeral services were held this afternoon at the Friends church.

Burial also was made in the Friends cemetery. The deceased had been in poor health for several weeks. He is survived by the widow and three children, who are Lillian, who resides at home, Grant Henley of Carthage and Oren Henley of Greenfield.

## SECOND SCHOOL CONCERT MAY 20

Progress of Pupils of Public Schools  
in Music Department During  
Year Will be Revealed

### FIRST CONCERT DECEMBER 15

"Baby Band" Augmented by Many  
More Pupils, Will Appear Again  
and New Features Will be Added

The second All School concert by the music department of the Rushville public schools, under the direction of Miss Sarah I. McConnell, supervisor, will be given at the Graham Annex auditorium Saturday evening, May 20 at 8:15 o'clock, and the work of the department is now being directed with this event in view. Saturday night was selected so as not to interfere with the Dr. E. L. Hanse lectures beginning Sunday.

The first All School concert was presented December 15 and gave patrons of the Rushville schools an insight into the fine work which had been done with the pupils by Miss McConnell, although she had been in charge of the department only three months and her methods of teaching music were entirely different from those ever used here before.

Miss McConnell announced at that time there would be two concerts by the music department during the school year and the date for the closing one was selected some time ago. The children of the grades and the junior high school will participate. They will be chosen from all of the buildings according to size and voice and every room will be represented.

The famous "Baby Band," which was such a big surprise at the first concert, will appear on the program, again and will be augmented with pupils from the second grades of the Graham Annex and the Washington school. At the first concert only second grade pupils from the Havens and Jackson buildings took part.

Another feature of the program which was popular before, will be the negro spirituals by pupils of the Washington school. The pupils of the sixth grades at the Jackson and Graham Annex buildings will appear in choruses, seven songs having been selected for them to sing.

The junior orchestra, considerably increased in size due to the interest in instruments which has been created among the school children, will be on the program for a few numbers.

A new feature for the second concert will be the junior high school glee club in a cantata, "The Swallow," by Carrington, and two special choruses, "Spring Birds and Flowers," by grade pupils. This is an arrangement of songs relating to the two subjects by Miss McConnell. Miss Henrietta Coleman, supervisor of art in the schools, will arrange the stage setting and special scenic effects and the pupils will be appropriately dressed. Miss Coleman will also prepare special settings for a Dutch scene in which pupils of the first three grades of Jackson school will sing Dutch songs.

Miss McConnell this morning reiterated her debt to Miss Coleman, the grade teachers and other special teachers for the progress which has been made in the music department. Without the followup work of the grade teachers, the music supervisor said, not much could be accomplished in the teaching of music.

A visit to the first three grades of one of the buildings this morning revealed the development of the children in the study of music. Sight-reading of notes, which was first introduced by Miss McConnell this school year, is no longer a difficult task, even for the primary children. They have all learned to beat the time, first by following the notes with their fingers, and then on the hand with the forefinger of the other hand. The sense of touch is involved in this method, Miss McConnell points out, because pupils must "feel" rhythm as well as know it.

In the second grade this morning the pupils took their first steps into the realms of three beats to the measure. They had previously learned music with two and four beats

### Neighborhood Alarm Clock.

Will Harton, 810 North Main street, had a neighborhood alarm clock this morning about 3:30 o'clock. In some manner the wires on the horn of his automobile in the garage at the rear of his house, set the horn off with a continuous blast. Mr. Harton at first thought it was a factory whistle blowing—time to get up. Neighbors, however, were awakened, and he was called out of bed, to remedy the noise, so that the neighborhood could finish its slumbers until time to arise.

## RANGERS ORDERED TO PREVENT AN UPRISING

Dispatched to Fairfield County, Tex.  
When Negroes Threaten to  
Avenge Death of 3 of Race

### FOURTH IS LYNCHED TODAY

(By United Press)

Kirvin, Texas, May 8.—Two detachments of Texas Rangers were rushed to Kirvin today to prevent a threatened uprising of negroes as the result of three blacks being burned here Saturday.

Fred Green, negro, was lynched here today, the fourth to die by mob action since the assault and murder of Eula Ausley, seventeen years old, a pretty school girl.

Austin, Texas, May 8.—Governor Neff today ordered two detachments of Texas Rangers to Fairfield, county seat of Freestone county, to prevent an uprising by negroes growing out of the assault and murder of Eula Ausley, a white girl.

The sheriff of the county sent word that negroes threatened to avenge the death of three negroes who were burned at Kirvin Saturday. Capt. Frank Hamer of the Rangers headquarters detachment, was dispatched at once to Fairfield with one detachment. The other detachment will go from Fort Worth, Texas, and will be in charge of Capt. Tom Hickman.

## FORMER PRESIDENT CALLS REED MARPLOT

Woodrow Wilson in Letter to For-  
mer Governor Stephens Says Be-  
lieves Senator Will be Rejected

### FOLLOWS LETTER TO PRESS

St. Louis, Mo., May 8.—Characterizing Senator James A. Reed as a "marplot," Former President Woodrow Wilson has formally asked Missouri democratic voters to reject Reed at the democratic primary in August.

The former president in a letter to Lon Stephens, former governor of Missouri, expressed confidence that Reed would be defeated for re-nomination.

Wilson's communication was in answer to one from Stephens following the former's open letter to a St. Louis newspaper denouncing Reed.

The former president said in his letter to Stephens that he was confident that Reed would be rejected at the polls by the democrats.

The letter indicates that the former president will take an active part in Missouri politics in an effort to defeat Reed.

### DIE OF PREVENTABLE DISEASE

Indianapolis, Ind., May 8.—More than 15,000 of the 35,000 persons who died in Indiana last year died from preventable diseases, Dr. J. N. Hurty, secretary of the state board of health said here today.

## WATSON FORCES ARE OPTIMISTIC

Believe Election of George Elliott of  
Newcastle as District Chairman  
Is Very Probable

### COMMITTEE MEETS AT LIBERTY

Republican and Democratic Commit-  
tees Reorganized with Glen Miller  
and J. T. Arbuckle Chairmen

With the county committees reorganized, republican and democratic politicians of the county are now looking to the district organization which will determine the complexion of the state committees of the two parties.

The democrats are not so much interested in the district organization as the republicans, who have a contest for the state chairmanship between Lawrence Lyons, director of the state highway commission, who is regarded as friendly to Senator James E. Watson, and E. M. Wasmuth, present state chairman, who the Watson element of the party is trying to unseat.

The republican county chairmen of the sixth district will meet at Liberty Tuesday afternoon at 1 o'clock to elect the district chairman and the democratic county chairmen will meet here on Tuesday, May 16, to reorganize their district committee.

Charles A. Hack of Shelbyville, former Shelby county chairman, was endorsed for the district chairmanship by the Shelby county committee Saturday and it is believed that he will be elected.

Senator Watson's friends believe that the republican county chairmen will elect George A. Elliott of Newcastle publisher of the Newcastle Courier and former mayor of Newcastle. He is the candidate of the Watson forces and is opposed by Ed Paul of Cambridge City, who is regarded as belonging to the anti-Watson group.

Before the selection of the county chairmen, it was said that Wayne county held the key to the situation, as Union, Shelby and Franklin counties were conceded to the Wasmuth faction and chairmen friendly to Senator Watson were expected to be elected in Henry, Rush, Hancock and Fayette counties.

Paul Comstock, the Watson candidate, was elected at Richmond over Lewis C. Niewoehner, the Wasmuth man, making the lineup five to three in favor of the Watson forces.

Glen Miller was elected county chairman by the Rush county precinct committee Saturday afternoon and Dr. Frank H. Green was re-elected vice-chairman. Russell B. Tittsworth was chosen secretary and Albert L. Winship, treasurer. All of the selections were the unanimous choice of the committeemen, twenty-three of whom were present, only eight being absent. Although no resolution was adopted, sentiment was expressed by a unanimous vote that George Elliott be elected district chairman.

The democratic county chairmen elected J. T. Arbuckle as chairman to succeed John C. Wallace and Miss Hannah Morris was chosen for vice-chairman and Wilbur Stiers, treasurer. The selection of a secretary was left to the chairman.

## HOLD UP NEGRO CRIPPLE

Three Men Escape With \$150 on a  
Busy Street Corner in Indianapolis

(By United Press)

Indianapolis, Ind., May 8.—A daylight holdup on the city's busiest street corner netted three well-dressed men \$150 shortly after noon today, while hundreds of persons were near.

Floyd Basil, 32, a negro cripple, was the victim. Basil had just pocketed the money at a bank. As he stepped on a street car at the corner of Meridian and Washington streets, one of the holdup men crowded ahead of him and the other two behind. In the jam one reached into his pocket and grabbed the money. Basil hobbled over to a traffic policeman and the conductor of the car chased the thieves two blocks, but they escaped.

## EMPLOYMENT FOR MILLIONS FROM PULVERIZED MOUNTAINS

Building Stimulates Local Prosperity — Materials Plentiful and Prices Down

(Copyright, 1922, by Real Estate News, Chicago.)

Next to farming, local prosperity depends upon building activity. The reason is plain. Building is the country's second largest industry. It employs millions of workers directly, millions to make the materials for building, and hundreds of thousands in lumbering, quarrying and mining.

Everyone knows that a building shortage exists. One way to restore prosperity then, is by a lively resumption of building. Materials and labor now are plentiful. Costs are lower. Cement will serve as a good example because it goes into nearly all building.

For every ton of cement, 1 1/4 tons of raw materials and coal must be mined, shipped, assembled, dried, ground, weighed, mixed and then fused at about 3,000 degrees to a hard "clinker." This "clinker" must then be ground again, this time to a powder so fine that 78% will pass through a sieve having 40,000 holes per square inch. To make cement, one literally must "tear down a mountain and put it through a sieve." And yet, cement sells at the mill for about \$8.00 per ton! These facts caused the United States Geological Survey a few years ago to say that "one could not scrape the free sand from the gutter for much less cost per barrel."

### Cement Competition Keen.

That competition has been active is noted in government reports. According to the United States Geological Survey, the production of cement has steadily increased and the price declined. It shows that in 1880, cement sold at \$3.00 a barrel average at the mill; in 1920 at \$2.02; in 1921, at \$1.87. Now it is selling at many large plants as low as \$1.50 a barrel, only half the average price in 1880, and less than the average for the 40-year period covered in the government report.

At one of the country's largest cement plants the price now is 48 1/2% higher than in the pre-war year 1913. The latest report of the United States Department of Labor shows the average price of "all commodities" as 51% higher than 1913. Some of the items whose prices enter into this figure of 51% have undergone radical decreases, while others are very much higher than the average of 51%. Few, if any, items of the former class enter into cement manufacturing costs, but several items of the latter class do affect the cement costs. In fact, the principal elements in these costs are labor, freight rates, coal and limestone.

In February, 1922, cement plant referred to paid for coal at mines

203% more than in 1913, for limestone at quarries 60% more and for labor 54% more. Freight rate on coal was 107% greater and on limestone 52% greater. A comparison of these increases with the increase of 48 1/2% in cement price and 51% in the price of "all commodities" is enlightening.

Cement is so widely used that users themselves have standardized it. Today every cement maker, regardless of his brand, meets the specifications set jointly by the United States government and the country's leading engineering societies. All brands of cement, therefore, are alike.

### Jevon's Economic Law.

Because of this, the prices of various brands of cement in any given market usually are the same. The reason for this puzzles many. But the answer is simple and well stated by W. Stanley Jevons, L. L. D., M. A., F. R. S., in his standard work "The Theory of Political Economy," which says:

"If in selling a quantity of perfectly equal and uniform barrels of flour, a merchant arbitrarily fixed different prices on them, a purchaser would, of course, select the cheaper ones. Hence follows what is undoubtedly true... that in the same open market, at any one moment, there cannot be two prices for the same article."

Applying Jevon's economic law, a simple illustration of cement competition may be cited thus: A, B and C are cement makers. Each seeks business at M, a town with a 30-cent freight rate from A, 35 cents from B and 40 cents from C. This gives A a 5-cent advantage over B and 10 cents over C. A figures he can sell at, say, a mill price of \$1.50, so adds the 30 cents freight and quotes \$1.80 at M. Then if B and C want to do business at M they must meet A's price, requiring B to go 5 cents below A in his mill price and C to go 10 cents below A in his mill price. Unless B and C can make the mill price sacrifices required by the market at M as made by A's \$1.80 price, then A will monopolize the market at M.

Similar principles apply to other materials. Prices are not arbitrarily made. They are based upon supply and demand and upon the cost of transportation, raw materials and labor. Supply of labor and materials now is plentiful. We cannot afford longer to delay needed building improvements. This is particularly true because building is so entwined with the nation's prosperity that a full revival of building will hasten a revival of other lines of business.

H. C. L. DECREASES IN FIRST THREE MONTHS

General Level of Cost of Living is still 6.9 Per Cent Above the Level of Pre-War Days.

LABOR DEPARTMENT REPORT

New York, May 8—Cost of living in the U. S. dropped 4.2 per cent during the first three months of this year, the department of labor estimated today. The decrease since the peak of post war high levels, reached in June, 1920, is 22.9 per cent, the department said.

The general level of the cost of living, however, is still 6.9 per cent above the level of the pre-war days of 1914.

Food is still 38.7 per cent above the pre-war level; clothing 75.5; housing 60.9; fuel and light 75.8; furniture 106.2; miscellaneous 103.3.

The decrease during the first three months is shown by the fact that the various articles in December 1921, were the following percentages above the pre-war level:

Food 50; clothing 84.4; housing 61; fuel and light 81.1; furniture 118; miscellaneous 106.8.

Few Reports However Received From Non-Union Coal Fields

(By United Press)

Indianapolis, May 8—Few reports from non-union coal fields have been received at United Mine Worker headquarters here during the last week, it was learned today, but those coming in indicated further organization of the open shop mines.

Union agents working in all fields where non-union mines are still operating are now facing their hardest fight. The miners who have remained out of the union since the strike started April 1, will offer more resistance to the organizers' efforts than those workmen who were initiated soon after the 650,000 strikers walked out, it was said.

A Draughty Door.

Doors that do not fit very well are often the cause of draughts. This trouble may be overcome by cutting narrow strips from the inner tube of a discarded bicycle tire and fastening them neatly down on the door frame. If the strips are cut exactly to fit they will not be noticeable, for the rubber is not thick enough to make the door difficult to close, yet it will entirely exclude all draughts. The rubber also deadens the noise when the door is suddenly banged.—York Post.

AMUSEMENTS

At the Mystic for Two Days.

Marguerite Namara, the famous and brilliant young American beauty who has won fame and fortune in two worlds by the voice and dramatic ability, has forsaken the operatic stage to conquer the world of the movies.

Miss Namara will be seen at the Mystic Theatre in her big production, "Stolen Moments," today and Tuesday. The management of the Mystic Theatre, after much negotiation, secured this famous picture, fresh from its Broadway showing, for a limited engagement, and consider it one of the events of the season.

The story of the photoplay is from the prolific pen of H. Thompson Rich, who has written many of the most successful pictures and plays of the past few seasons. He was commissioned at a high price to supply M. Namara with the first film vehicle, and if the metropolitan critics know what they are talking about, his work ranks high among his notable achievements as a writer.

One of the features of the production are the gowns worn by Miss Namara, which were designed by the famous Chicot of Paris and imported to America especially for use in "Stolen Moments."

"Stardust" at Princess.

Realism is one thing that ambitious stars and directors are most anxious to register in motion pictures. They are, in fact, abject slaves to it.

Hope Hamilton, star, and Hobart Henley, director, are no exceptions to this rule.

The filming of "Stardust," the intensely dramatic First National attraction, which comes to the New Princess Theatre today for a run of two days, had to be postponed for several days while Miss Hampton recovered from the realistic treatment which she received at the hands of a "brutal husband" in one of the scenes.

Noel Tearle, who gained distinction for his work in "Over the Hill," portrays the role of the brutal, overbearing husband in "Stardust."

But he was too gentle when Director Henley first ordered him to choke Miss Hampton and hurl her to the floor.

"Make it realistic, knock her down as though you meant it," commanded Mr Henley.

Tearle tried again. Still the director was not satisfied. The scene was repeated several times, and when the desired result was finally obtained Miss Hampton went home bruised and battered, and remained there for several days recovering from the effects.

"It was a pretty strenuous experience," said Miss Hampton, "but I'm glad he did treat me rough, because we certainly gained the best of results. Realistic? I'll say that scene is realistic! Of course, I wouldn't want one like it every day."

## TAIL LIGHTS LET DOWN WITH 4 HITS

Hick Farrell, Major League Pitcher,  
is Big Noise With Greenwood  
Team Here Sunday

RECORD OF 17 STRIKE-OUTS

Both Teams Play Air-Tight Ball—  
Snyder, Rushville Pitcher,  
Looks Good to Fans

The Greenwood baseball team of the Southern Indiana league, headed by Hick Farrell, a major league pitcher, had the Tail Lights at their mercy Sunday and won the third contest in the league season by the close count of 3 to 2.

It was an exhibition of high class baseball, as each team played practically air-tight all the way through, and although the big noise was Farrell, Snyder the hurler for Rushville showed up in good style, and looks like a good bet in the box.

Farrell was not only stingy with his hits, but he also was good on fanning out the batters. He allowed four hits, and put up a record of 17 strike-outs. Snyder for Rushville allowed only seven hits, and three in one inning, coupled with an error, lost the game.

The Tans who turned out yesterday were well pleased with the showing made by the team, and the way Farrell pitched there is no team in the league that can match up with him.

The next game on the schedule will be at Shelbyville on Sunday and the locals are due to spring a surprise on some of these teams, as they are now getting moulded into shape for the season, and a complete line-up will soon be established that will be equal to any team in the league.

The game, play by play:

### First Inning

Greenwood—Broughton out, P. Snyder to Shaw; Worley, up, hit for two sacks to right. Duggan forced Whorley at third, L. Snyder to George; Hinkle out, P. Snyder to Shaw. No runs, one hit, no errors.

Rushville—George, first up, singled on a grounder near first; Barney sacrificed George to second, Stevenson unassisted; Coble fanned; P. Snyder out on a line drive to first. No runs, one hit, no errors.

### Second Inning

Greenwood—Brumener singled to center; Eichrodt fanned; Elliott up, Brumener caught stealing, Byrne to

Rushville—Pearsey grounded to Whorley, who fumbled. Shaw was out on third strike. Byrne fanned swinging, and Pearsey reached third. Sharp fled to left. No runs, no hits, one error.

### Third Inning

Greenwood—Stevenson out to Shaw, unassisted. Farrell fanned. Broughton was walked. Whorley up, Broughton stole second. Fled out to Pearsey in right. No runs, no hits, no errors.

Rushville—L. Snyder out to center field; George out, Whorley to Stevenson; Barney fanned. No runs, no hits, no errors.

### Fourth Inning

Greenwood—Duggan and Hinkle each were out on a high fly to Coble in center field. Brumener fanned. No runs, no hits, no errors.

Rushville—Coble out, Farrell to Stevenson. P. Snyder and Pearsey fanned in order. No runs, no hits, no errors.

### Fifth Inning

Greenwood—Eichrodt out, George to Shaw; Elliott singled to left on base line. Stevenson forced Elliott at second, Shaw to P. Snyder. Farrell up. Stevenson caught at second, Byrne to P. Snyder. No runs, one hit, no errors.

Rushville—Shaw out, Elliott to Stevenson. Byrne singled to right. Sharp up, advanced Byrne to second when Whorley dropped the ball on the bag for a put out, making all safe. L. Snyder fanned. George up. Byrne was out at third, trying to steal on passed ball, Hinkle to Duggan. No runs, one hit, one error.

### Sixth Inning

Greenwood—Farrell was safe on Barney's error. Broughton up, Farrell was caught stealing, Byrne to Barney. Batter was safe when P. Snyder let a grounder get by him. Whorley was out on a fly to Coble in center field; Duggan up. Broughton stole second on first ball pitched, and batter doubled to left, scoring Broughton; Hinkle doubled to center, scoring Duggan; Brumener singled to left, scoring Hinkle, but the batter was caught at second, trying to stretch the hit, Sharp to P. Snyder. Three runs, three hits, two errors.

Rushville—George fanned. Barney died out to Eichrodt in center. Coble struck out. No runs, no hits, no errors.

### Seventh Inning

Greenwood—Eichrodt out, George to Shaw; Elliott out on a fly to Byrne. Stevenson out, Barney to Shaw. No runs, no hits, no errors.

Rushville—P. Snyder safe when Stevenson muffed his roller, Pearsey singled to left. Shaw and Byrne went out, swinging on third strikes. Neideffer batting for Sharp, doubled to left center, scoring P. Snyder and Pearsey. L. Snyder fanned for the third out. Two runs, two hits, one error.

### Eighth Inning

Greenwood—Farrell out, P. Snyder to Shaw; Broughton singled over short; Whorley forced Broughton at second, Barney to P. Snyder; Duggan up, Whorley caught stealing, Byrne to P. Snyder. No runs, one hit, no errors.

Rushville—George up, fanned. Barney also struck out. Coble drew a walk. P. Snyder up, Coble out stealing, Hinkle to Whorley. No runs, no hits, no errors.

### Ninth Inning

Greenwood—Duggan out, Barney to Shaw. Hinkle out on fly to Byrne.

## Sport Summary

New York—Polo teams from England, Argentina, Hawaii and from all sections of the United States have been invited by the Polo Association to play in a tourney at the Rumsey Country club from Aug. 16 to Sept. 9.

New York—National League club owners will erect a suitable memorial to honor the late "Pop" Anson, according to John Heydler, president of the league. The expenses incident to his illness, his funeral and the transfer of his wife's body from Philadelphia to Chicago, also will be borne by the league.

New York—Brooklyn Robins have released Sam Crane, infielder secured from the Reds, to the Seattle Pacific Coast League club and George Whitted, former Pirate star to Kansas City in the American association.

Boston—"Pop" Geers, veteran grand circuit driver, purchased the pacer Sandaro, 1:59 3-4, from F. H. Downs, Brooklyn, for \$7,000.

New York—Harry S. Page, 60 year old sportsman, rode his sixteen year old Gold Plate to a victory in the two and one half mile steeple chase at Belmont Park terminal. Page wore a patch over one eye and a monocle on the other.

New York—Wally Schang, first string catcher of the Yanks will be out of the game for at least a week with a split hand.

Trenton, N. J.—Branding them as brutal and inhuman, the New Jersey boxing commission has barred the rabbit blow and the kidney punch.

Brumener out, Barney to Shaw. No runs, no hits, no errors.

Rushville—P. Snyder was walked. Pearsey fanned. Huddleson batted for Shaw, fanned, and Byrne made the third out, swinging hard on the third strike. No runs, no hits, no errors.

### MERITS WIN ANOTHER ONE.

The Rushville Merits took another game from the Glenwood team Sunday at Glenwood, by the score of 6 to 2. Sailor was the big man at the bat for Rushville, getting four hits out of as many times at the bat, two being triples, one a double and a single. Batteries—Merits, Cavet, Christopher and Tyler; Glenwood, Wind and Snoddy.

## The Score Board

Yesterday's hero—Jess Barnes pitched a no hit, no run game against the Phils, the Giants winning, 6 to 0. One runner got on a base on a pass, but died in a double play. The Phils sent in three pinch hitters in the ninth but they failed. Powell's homer in the ninth inning

gave the Braves, 4 to 3 win over the Robins.

Falk hit a homer in the ninth with one on, the White Sox beating the Tigers 9 to 7. Three of Detroit's runs resulted from Cobb's homer with a pair on the paths.

The Reds got to Doak for four runs in the eighth inning but the Cards won, 8 to 5.

The Pirates pounded Alexander, Jones and Cheeves hard and beat the Cubs 11 to 5.

# Following the Floods

THE excessive rains of the past month have seriously retarded farming operations. As soon as field work is possible farmers will be busy night and day preparing the ground and seeding the land that they may maintain an adequate food supply for the nation. This year, for the farmer, time is an imperative factor.

More than 140,000 tractors are owned in the 11 Middle Western States served by the Standard Oil Company (Indiana). These tractors are being overhauled, lubricated, and put in condition to perform essential labor, for which horse power would be totally inadequate.

The number of horse hours per day is limited by the strength of the horse, while the number of motor hours per day is limited only by the number of hours.

During this rush the demand for gasoline will be heavy. The Standard Oil Company (Indiana) is prepared to supply this demand. Its storage tanks and bulk stations located at strategic points throughout the territory are full. Its supply depots, service stations, and tank wagons are prepared to make Red Crown gasoline instantly accessible to the farmer when his need arises.

The Standard Oil Company (Indiana) may be depended upon to perform this service adequately—first, because it has provided sufficient field storage to take care of even an abnormal demand. Second, because it maintains distributing facilities which form the most perfect system of its kind.

Only a big organization, big in spirit of enterprise and social service and big in resources, can cope adequately with the growing motor needs of the Middle West. In carrying on its business the Standard Oil Company (Indiana) operates 6 large refineries, 3824 bulk stations, 1521 filling stations, and a fleet of 6600 tank delivery trucks.

It is due to the efficiency of this vast organization that the Standard Oil Company (Indiana) is able to guarantee that the needs of the farmer for petroleum products will be supplied.

The Ladies Aid society of the St. Paul's M E church will be entertained Tuesday at the home of Mrs. Manley Pearce, in North Main street and the assisting hostesses will be Mrs. Ione Churchill and Mrs. James Moore.

Miss Vera Reynolds entertained with a prettily appointed dinner party Sunday at her home in Glenwood. Covers were laid for the Misses Elsie and Frances Little, Lucile and Belya Bever and Martha Laughlin.

Mrs. J. T. Arbuckle, Mrs. Sam Innis and Miss Harriet Vredenburg have issued invitations for Candlelight teas to be given Wednesday afternoon, May 10, and Friday afternoon May 12, at the home of Mrs. Arbuckle in East Seventh street.

The Sons of Veterans auxiliary, No. 19, will hold their regular meeting Tuesday night at the P. O. S. of A. hall. The department president will be present and present the charter. Degree work will be conferred and all members are requested to be present.

Miss Margaret Donnan of Indianapolis gave the last of her series of Lectures in Literature before her class at the Elks club rooms Saturday afternoon. Reading Mrs. Brownings lovely poem, "The Sleep," she paid an affecting tribute to the memory of Mrs. Charles A. Frazee who was for several years a loyal member of this class.

The appearance of a new book by Selma Lagerlof, Miss Donnan said, is always an event to lovers of good literature, and her review of the "Outcast" showed that this latest novel by the Swedish writer has the fine texture of style and wholesome, significant content that characterizes all her work. Miss Donnan discussed at length the new biography of Herman Melville by Raymond Weaver. Because of the extraordinary vogue of South Sea literature in the past few years there has been a remarkable revival of interest in Herman Melville, writer of vivid descriptions of the South Seas, and his famous "Moby Dick" and "Typee" have taken on an essentially modern quality.

Miss Donnan's special subject for her series of lectures this season has

been "The Art of Biography." She has used a score or more of the best biographies in all literature to show the development of this form of writing from ancient to modern times. Emphasis has been put upon the personality written about rather than upon the technique of the biographer. Supplementing her special subject, Miss Donnan has discussed the best of contemporary literature—novel, essay, play and biography. Her clientele is especially fortunate not only in having something new added to the spirit and flavor of old books long admired and loved but in having this discriminating critic's presentation of the new things as they appear.

Miss Donnan will go abroad early in June to spend the summer in travel and study.

Mrs. Will Brown will be hostess to the members of the Shakespeare club Tuesday evening at her home in East Ninth street.

Mr. and Mrs. J. L. Colestock of West First street had as their guests Sunday, F. Darrel Wendling and Marie Biehl of Indianapolis.

Mr. and Mrs. Arthur Trennepohl and children, Mr. and Mrs. William Sharp and Mrs. Elizabeth Trennepohl were the dinner guests Sunday of Mr. and Mrs. Will Trennepohl.

The last dance of the season for the Elks lodge will be given Tuesday evening, May 16, in the Elks club rooms. Wright's orchestra from Columbus, Ohio, will provide the music.

The Men and Women's Bible class of the First Baptist church will hold a business and social meeting in the church Tuesday evening. Every member is urged to be present at this meeting.

Mrs. Roy Lines and daughter Mrs. June Spilman went to Indianapolis Friday where Mrs. Lines attended a luncheon of the Tri Psi sorority and Mrs. Spilman visited the Tri Delta sorority house.

The Pastor's Aid society of the Main Street Christian church will meet in the parlors of the church Tuesday afternoon and Mrs. Walter Pearce's section will have charge of the social hour. A large attendance is desired at the meeting.

Mr. and Mrs. Edgar Noble of North Jackson street entertained at dinner Sunday Mr. and Mrs. Hubert Jones and daughters Margaret and Anna and son Russel of Raleigh. In the afternoon Mr. and Mrs. Clyde Matney and sons John and Homer and Mrs. Effie Link of Glenwood were also guests.

The Woman's Missionary Society of the Sexton Christian church will meet Tuesday afternoon at the home of Mrs. Charles Warriek with Mrs. Casey as the leader. Mrs. Paul Clifton will have charge of the Bible study and the following papers will be read: "Countries and Peoples of Latin America," Mrs. Pratt; "Religious Conditions in Latin America," Mrs. Smith; "Our Responsibilities in Latin America," Mrs. Rogers; Bible questions, Mrs. Pratt. Every member of the society is urged to be present at this meeting.

Donald Porter was delightfully surprised Sunday in honor of his 25th birthday anniversary, with a pitch-in dinner. Those present were Mr. and Mrs. Edgar Whiting, Mr. and Mrs. Charles Redden, Mr. and Mrs. Ira Allison, Mr. and Mrs. J. W. Redden, Mr. and Mrs. L. B. Weaver, Mr. and Mrs. Lot Redden and daughter Norma, Mr. and Mrs. William Plessinger and children, Mr. and Mrs. Bert Redden, Mr. and Mrs. W. H. Norton of French Lick, the Misses Helen Whiting, Sadie Bush, Ruth Drake and Mildred Dixon and Lewis Waggoner, Earl Bush, and Luther Waggoner.

Mrs. Chester Lee entertained with a birthday dinner in honor of the Misses Thelma and Zelma Shaffer, the event being their fourteenth birthday anniversary. The table was adorned with a bouquet of flowers and the birthday cake held the 14 candles. The guests were the Misses Helen Collins, Juanita Brown, Alta McDaniel, Mary Baldrige, Grace Addison, Pearl Dyer, and Hazel Haywood, Mrs. Claude Sausaman of Richmond, Mr. and Mrs. O. Beckner and family, Mr. and Mrs. Harry Shaffer and Ed Shaffer and family.

to the measure, and their knowledge of this enabled them to pick up quickly the new lesson.

In the third grade the skip tones are introduced. Their advancement is regarded as nothing short of remarkable, in view of the fact that they never had any sight-reading of notes until the first of this year. Miss McConnell will be able to make much more rapid progress in the second and third grades next year than she has this year, she believes, due to the foundation which the pupils have laid this year.

**Tribute to Teacher**

By SUPT. J. H. SCHOLL  
Mrs. Amy Baner Groom.

Mrs. Amy Baner Groom first taught in the Rushville Public Schools during the fall of 1920, when she substituted for Miss Miriam Retherford from the middle of November until the close of the first term in January following. At the beginning of the second term Mrs. Groom was employed as a part time teacher, teaching Physiology, English and Domestic Science. During this work she displayed such great tact and energy that she was elected to the principalship of the Junior High School for the year of 1921-1922. She assumed her new duties on Sept. 12, 1921, with great enthusiasm and continued in this position until about Dec. 1, when she was compelled to give up the work on account of a severe illness.

Mrs. Groom endeared herself to the teachers and pupils on account of her beautiful character. She was cultured and refined in her tastes. Her patience and persistence in dealing with the pupils led many to feel that anything short of his best was not good policy. She loved her work and was personally interested in every pupil under her charge, inspiring them to their best endeavors. She will be remembered by teachers and pupils for her musical and literary ability in addition to her valuable services as a teacher.

**MISS MARGUERITE K. O'LEARY**, of Reading, Pa., who says she has gained eight pounds and can hardly find words to express her praise for Tanlac for the good the medicine did her.

"I am so happy over what Tanlac has done for me I can hardly find words to express my praise," said Miss Marguerite K. O'Leary, who lives with her parents at 1223 Chestnut St., Reading, Pa. "I wasn't exactly what would be called sick, but for a year I had been all run down and sometimes felt so weak and miserable I could hardly hold up my head. I was so nervous the telephone bell or a door closing would startle me so I would tremble like a leaf."

"I needed something to build me up and give me strength and energy, and that is exactly what Tanlac did. It gave me a fine appetite and improved my digestion. I gained eight pounds, the color came back to my face, my nerves became normal and I soon felt as well as I ever did in my life. It is simply wonderful that medicine could make such a big change in any one. My friends and neighbors are surprised when they see me now, and no wonder, for I look like a different person. Tanlac is grand and I never intend to miss a chance to say a good word about it."

Tanlac is sold by all good druggists.—Advertisement.

## 14 SENATORS TRY TO SOLVE PROBLEM

Did Newberry Case Have Decisive Influence in Bringing About Defeat of New Question

MAY ALSO INFLUENCE OTHERS

In Some States It Will Not be Factor in Primary But Will be Injected in Election

By LAWRENCE MARTIN  
(U. P. Staff Correspondent)  
Washington, May 8.—There are fourteen Republican U. S. senators today who are trying to answer this political problem:

Did the Newberry case have a decisive influence in bringing about the defeat of Senator Harry New of Indiana, and if so what will it do to me?

These senators are: Calder, New York; Crow, Penna.; Dapout, Delaware; France, Maryland; Frelinghuysen, New Jersey; Hale, Maine; Kellogg, Minnesota; Lodge, Mass.; McCumber, North Dakota; McLean, Conn.; Page, Vermont; Pepper, Penna.; Poindexter, Wash.; Townsend, Mich.

Up until the results came ticking in from Indiana the talk about popular reaction to the Newberry case did not interest the case-hardened politicians of the senate, who had weathered what they regarded as many a similar political storm. Today they are giving the Newberry matter another and longer look.

Crow of Penna., of course, is already practically out of the contest on account of ill-health.

In some states the Newberry case will not figure as seriously as in others. In some it will not be a factor in the primary but will be injected into the election by the Democrats. In others it will be the major issue of the primary and if the incumbent survives that, the general election. Nowhere will it be overlooked.

### A Tribute To the Memory of MRS. FRANK CROSS

Once more we pause in the busy cares and toils of life to pay respect to our beloved daughter, wife and sister, Lula P. Cross, who heard and answered the last call of life and entered into eternity, May 8th, 1921. As the sand in the hour glass of time runs slow but sure, so must this life give place to life eternal. To youth the time goes slowly by, but as the years come, time seems to pass more swiftly, the ever unwelcome guest who selects a loved one for his own, came silently, bade her come home, quietly and peacefully she accepted the invitation, placing her hands in His left us.

Call not back the dear departed, Anchored safe where storms are o'er. On the borderland we left her, Soon to meet and part no more.

May we who linger still upon the shores of time find our comfort in "Him who doeth all things well," and when the celestial company have assembled "in the city that lieth foursquare," of all those who knew her here may not one shining robe sway empty, not one starry crown remain unclaimed.

We never knew how dear to us The voice we loved full well We never thought how musical Until its last echoes fell.

The little things that seem our all, Then they seemed as naught Rush through our minds like meteor lights As we linger on the spot.

We never knew how dear they were The meetings past recall. We never thought how sweet the kiss 'Till we heard the last footfall.

Those that are left to mourn her loss, live not without hope for there is a comfort to know that there is a time when the circle will be reunited never to be broken. THE FAMILY. 481f

## Obituary

AMY BANES GROOM

Amy Banes Groom, wife of Stewart B. Groom, and daughter of Mr. and Mrs. H. C. Banes, was born in Indianapolis, September 13, 1892.

She was educated in the Indianapolis schools, graduating with honors from Whittier School and from Shortridge High School in 1910. She entered Butler College in September 1912 and received her A. B. degree in 1916. For the following three years she taught in the high schools at Malvern, Iowa, was principal of the high school at Williston, Florida, and taught Mathematics and Art in School 66 in Indianapolis. At the time of her last illness she was principal of the Junior High School at Rushville, Indiana. She was a lover of music and an accomplished musician.

On July 6, 1918, she was married to Stewart B. Groom, son of Mr. and Mrs. J. B. Groom of Princeton, Kentucky. After Mr. Groom's return from the United States Naval Service, they resided in Rushville, Indiana.

She has been a member of Roberts Park Methodist Episcopal church for fifteen years. She was ever active in Sunday school work both as pupil and teacher; she was a member of the Roberts Park Epworth League and at different times held the offices of first, second and fourth vice-presidents; she was also a member of the Roberts Park Choir for several years. At the age of four years she became a member of the Woodruff United Presbyterian Sabbath school, and later was interested in all the activities of its young people.

She was a member of an old family, her paternal ancestors having settled early in Virginia, and her maternal ancestors in Massachusetts in 1632. Just prior to her last illness steps were being taken for her to join the D. A. R., she being entitled to this honor by both paternal and maternal ancestry.

Since a serious attack of influenza three years ago, she had been in failing health. On December 1st, an attack of intestinal influenza produced the complications which necessitated a surgical operation, January 23rd from the shock of which she never recovered. After eight weeks of patient suffering, she passed into Eternal Rest on Sabbath morning January 29, at 9:10, at the Methodist Hospital, Indianapolis.

The funeral services were held at the home of her parents, Mr. and Mrs. H. C. Banes, 1556 Brookside Ave., Wednesday afternoon, February 1. Dr. G. M. Smith, pastor of Roberts Park M. E. church, Rev. C. E. Oldham, pastor of Broadripple Christian church, Dr. J. P. Cowan, pastor of Woodruff U. P. church and Dr. W. C. Morro and Dr. Jabez Hall, members of the faculty of the Butler College Bible school, conducted the services. Mrs. Eva Davidson, Mrs. Ernest Foster and Mr. Harry Noble furnished the music. Interment will take place Monday afternoon, May 8, at Crown Hill Cemetery.

She is survived by her husband, Stewart B. Groom, her parents, Mr. and Mrs. H. C. Banes, her sister Gladys Banes Bradley and an aunt, Dr. Alice E. Twichell, in the immediate family, and by a host of relatives and friends.

### An Appreciation

It is hard for us who were her friends, in college to realize that Amy Banes will not again meet with us, so strong a hold on friendship did she take. Her enthusiasm for knowledge, for college activities, for spiritual attainment, led us all and fired us to do better work, at least to be ashamed of poor work.

Every aspect of college life was dear to her. We who were associated with her in Y. W. C. A. work were enriched by her spiritual keenness and Christian joy. Since graduation we have seen in her life the same force and intensity. Let us not forget her high ideals and try to live up to them! A CLASSMATE. 481f

Ten Thousand Chinese Troops. Remains of Shattered Arm of Gen. Chang Cso Lin, Nearing Tientsin

### WHITES PREPARE A DEFENSE

Shanghai, China, May 6—Ten thousand mutinous Chinese troops were reported marching on Tientsin to loot foreign quarters. The whites are preparing for a desperate defense.

These troops are the remains of the shattered army of General Chang Cso Lin, seeking revenge for their defeat by General Wu Pei Fu's forces.

Dispatches sent from Peking said scouts had observed the mutineers near the city. The whole foreign population has taken up arms to assist in the defense, the dispatch reported. One American and one British regiment were stationed along the outer lines of defense and the French Ammirite troops were being strengthened by reinforcements.

## FINES AMOUNTING TO \$220 ASSESSED

Eight Stand Owners With Burns  
Carnival Company Arrested  
Unexpectedly Late Saturday

### THREE CASES ARE NOLLIED

Five Others Plead Guilty and Rou-  
lette Wheels Are Confiscated and  
Will be Destroyed

The Burns' Carnival Company, which showed here last week on the South Main street grounds, was turned into a Sunday school picnic Saturday afternoon about 3 o'clock when Prosecutor A. C. Stevens had the officers serve warrants on eight men in charge of stands operating wheels of fortune, and which resulted in the men paying fines totalling \$220.50.

Without any warning, and after the stands had been operated all week, the warrants were issued for the arrest of owners operating stands and exhibiting gaming devices, and Sheriff Hunt, Deputy Spradling and Patrolmen Nicholson, Havens and Lakin visited the carnival and brought eight men and four roulette wheels into court.

The men pleaded not guilty, and were held on \$100 bond, and failing to give the bond, were detained in the court room while one of their members was given a period of grace in which to raise money to pay their fines.

Five of them entered a plea of guilty about six o'clock, and Judge Sparks fined each of them \$35 and costs, which made each fine \$44.10, or a total of \$220.50, and the other three affidavits were nollied. All were charged under the "John Doe" warrants.

The four wheels confiscated were in jail and will be ordered destroyed on an order by the court.

After the men had paid their fines, the carnival operated Saturday night with only the shows running, as very few stands were opened for business.

## IMPROVED BUSINESS CONDITIONS SHOWN

Commerce Department Records  
Show Larger Production And  
Increased Export Trade

### RETAIL PRICES DECLINE

(By United Press)  
Washington, May 8.—Business conditions are improving and the records show larger production and increased export trade, the commerce department announced today.

Manufacturing industries are working on good schedules, the department said. The figures, however, are not sufficiently complete to show how greatly the increased activity of the factories reflects buying by the public.

Retail prices continue to decline, the report said, the cost of living showing a drop of three points during March. The greatest was in food costs. Commercial reports show both the wholesale and retail trade "spotty" but with evident improvement over preceding weeks.

From figures available it is clear fundamental conditions are much better and there is every reason to expect business to improve steadily although perhaps slowly the department said.

With world conditions as they are today, there is no likelihood of an immediate boom movement. Reconstruction in Europe is far behind what it is in this country. In general, big economic movements are world wide in their scope.

### EMERGENCY OPERATION

Miss Lillian Priest underwent an emergency operation Saturday afternoon at the St. Anthony hospital in Terre Haute, for appendicitis. Miss Priest is the daughter of Mr. and Mrs. George Priest of this city, who went to her bedside Sunday. Mrs. Priest remained with her daughter, whose condition is regarded as serious. Miss Priest is attending school at the State Normal college in Terre Haute.

## FUNERAL SET FOR TUESDAY

Paul Hill, Age 52, Formerly of This  
City, Dies in Indianapolis

Paul Hill, age 52 years, a former resident here and son-in-law of Mrs. John Schattner, expired Sunday at Indianapolis following an operation at the St. Vincent hospital. The remains will be brought here tonight about 6 o'clock from Indianapolis, and taken to the home of Henry Heckman, in West Tenth street. The services will be conducted Tuesday morning at 9 o'clock at the St. Mary's Catholic church in charge of the Rev. Father Francis Schaub, and burial will be made in Calvary cemetery.

The deceased is survived by one son, John Hill, and several distant relatives.

## COMMANDERY HOPES FOR BIG ATTENDANCE

If Bad Weather Intervenes and  
Stops Work on Farm, Big  
Crowd For Conclave is Likely

### JUDGE SPARKS TO ADVANCE

If bad weather intervenes and stops work on the farm, Rushville commandery No. 49, Knights Templar, will likely have a banner attendance at the sixty-eighth annual convocation of the Grand Commandery which will be held in Indianapolis Wednesday and Thursday. Many farmer members of the local commandery will be unable to attend if the weather is good because of farm work having been delayed by spring rains.

Rushville's winning of an attendance cup again this year hinges on these conditions. In any event, Rushville commandery will be well represented, it is believed. Many Knights will drive in machines and others will go on the I. & C. Traction line, special rates having been arranged. Judge Will M. Sparks, who was elected grand warder in 1920, which is the first step in the path which leads to the grand commander's office, will be advanced to the office of grand standard-bearer this year, and Wilbur Stiers, past commander of Rushville commandery will have a place on the staff of the grand commander and will appear with the staff in the parade.

Rushville commandery will again have headquarters in parlors A and B of the Lincoln hotel. A special invitation has been extended for wives of Knights to attend as special entertainment will be provided for the ladies, tickets for which may be obtained at the Claypool hotel.

## CARNIVAL OWNER TO BE TRIED THURSDAY

James O'Brien Charges Robert  
Burns With Assault and Intent,  
Following Alleged Trouble

### INVOLVES PLANTATION SHOW

Robert Burns, owner of the Burns Carnival Company, which exhibited here last week, was arrested late Saturday on a charge of assault and battery with intent to kill, and when arraigned before Justice Stech entered a plea of not guilty, and will be given a further hearing on Thursday morning at 10 o'clock.

The charge was preferred by James O'Brien, owner of the Plantation show with the company, who was attacked one night last week, and hit across the face with an iron bar, the blow knocking out five teeth. He also filed an affidavit against James Winters on the same charge, but he was not arrested.

Burns was unable to provide bond, and was allowed to go upon promise to return Thursday. The shows are exhibiting this week at Columbus. O'Brien in a statement today said that it was the intention of his assailants to kill him, and toss his body in the river, so that they could get possession of his show. He also said that the owner of the carnival took his show to Columbus, without his permission.

## RETURN FROM THE PURDUE ROUND-UP

Members of Four H. Sewing Club of  
Union Township and Boys Pig  
Club Attend Annual Event

### SEWING CLUB TO BE ENLARGED

Members of the Four H. Sewing club of Union township and the Boys Pig club have returned from Lafayette where they attended the annual Purdue Round-up last week.

The sewing club girls were chaperoned by Mrs. Oscar Rees, who directed the organization last year and will again be in charge this year. It will include a baking club this year and girls from ten to eighteen years of age will be eligible. An effort will also be made during the year to organize in other townships. Union township girls wishing to enroll may call Mrs. Rees or County Agent Ball.

The sewing club girls attending the Round-up were as follows: Wilma Hunt, Naomi Nash, Helen McClure, Dorothea Manzy, Mildred McMillin, all first year girls; Maxine Vandeventer, Helen Hinchman, Ruth Billings and Alice Peters, second year girls. The trips of the Misses Hunt and Vandeventer were paid for by the Union Township Farmers association as prizes won at the Rush County Products show and Miss Hinchman was sent by the Glenwood bank and the Peoples National bank as a prize won in the products show.

Richard Newhouse and Paul Oldham were members of the Boys Pig club who attended the Round-up and they were in charge of Fred Oldham and Mr. Miller.

(By United Press)

Washington, May 8.—Secretary of State Hughes today was called on by Senator Borah to throw some light on the advance of \$187,000,000 by this government to Boris Bakhmeteff, accredited ambassador of the defunct Kerensky government of Russia.

Borah read a list of seventeen questions designed to show what had become of the money. Borah gave as the reason for reading the seventeen questions in the open senate the apparent desire of Secretary Hughes to have all dealings with Bakhmeteff go through "diplomatic channels."

Case of Former Rushville Woman  
To be Heard at Shelbyville.

Shelbyville, Ind., May 8.—The trial of Mrs. Clara Carl, of Hancock Co. held in the Shelby County Jail on a charge of murdering her husband and her father-in-law, was set for trial Monday, May 22, by Judge Alonzo Blair in the Shelby circuit court Saturday afternoon. The judge has allotted two weeks for the trial in the calendar for the May term of the circuit court, which opens May 15. Mrs. Carl's case was brought here from Hancock county for trial on a change of venue.

## SECOND SCHOOL CONCERT MAY 20

Progress of Pupils of Public Schools  
in Music Department During  
Year Will be Revealed

### FIRST CONCERT DECEMBER 15

"Baby Band" Augmented by Many  
More Pupils, Will Appear Again  
and New Features Will be Added

The second All School concert by the music department of the Rushville public schools, under the direction of Miss Sarah I. McConnell, supervisor, will be given at the Graham Annex auditorium Saturday evening, May 20 at 8:15 o'clock, and the work of the department is now being directed with this event in view. Saturday night was selected so as not to interfere with the Dr. E. L. House lectures beginning Sunday.

The first All School concert was presented December 15 and gave patrons of the Rushville schools an insight into the fine work which had been done with the pupils by Miss McConnell, although she had been in charge of the department only three months and her methods of teaching music were entirely different from those ever used here before.

Miss McConnell announced at that time there would be two concerts by the music department during the school year and the date for the closing one was selected some time ago. The children of the grades and the junior high school will participate. They will be chosen from all of the buildings according to size and voice and every room will be represented.

The famous "Baby Band," which was such a big surprise at the first concert, will appear on the program again and will be augmented with pupils from the second grades of the Graham Annex and the Washington school. At the first concert only second grade pupils from the Havens and Jackson buildings took part.

Another feature of the program which was popular before, will be the negro spirituals by pupils of the Washington school. The pupils of the sixth grades at the Jackson and Graham Annex buildings will appear in choruses, seven songs having been selected for them to sing.

The junior orchestra, considerably increased in size due to the interest in instruments which has been created among the school children, will be on the program for a few numbers.

A new feature for the second concert will be the junior high school glee club in a cantata, "The Swallow," by Carrington, and two special choruses, "Spring Birds and Flowers," by grade pupils. This is an arrangement of songs relating to the two subjects by Miss McConnell. Miss Henrietta Coleman, supervisor of art in the schools, will arrange the stage setting and special scenic effects and the pupils will be appropriately dressed. Miss Coleman will also prepare special settings for a Dutch scene in which pupils of the first three grades of Jackson school will sing Dutch songs.

Miss McConnell this morning reiterated her debt to Miss Coleman, the grade teachers and other special teachers for the progress which has been made in the music department. Without the followup work of the grade teachers, the music supervisor said, not much could be accomplished in the teaching of music.

A visit to the first three grades of one of the buildings this morning revealed the development of the children in the study of music. Sight-reading of notes, which was first introduced by Miss McConnell this school year, is no longer a difficult task, even for the primary children. They have all learned to beat the time, first by following the notes with their fingers, and then on the hand with the forefinger of the other hand. The sense of touch is involved in this method, Miss McConnell points out, because pupils must "feel" rhythm as well as know it.

In the second grade this morning the pupils took their first steps into the realms of three beats to the measure. They had previously learned music with two and four beats.

### Neighborhood Alarm Clock.

Will Harton, 810 North Main street, had a neighborhood alarm clock this morning about 3:30 o'clock. In some manner the wires on the horn of his automobile in the garage at the rear of his house, set the horn off with a continuous blast. Mr. Harton at first thought it was a factory whistle blowing—time to get up. Neighbors, however, were awakened, and he was called out of bed, to remedy the noise, so that the neighborhood could finish its slumbers until time to arise.

## RANGERS ORDERED TO PREVENT AN UPRISING

Dispatched to Fairfield County, Tex.  
When Negroes Threaten to  
Avenge Death of 3 of Race

### FOURTH IS LYNCHED TODAY

(By United Press)

Kirvin, Texas, May 8.—Two detachments of Texas Rangers were rushed to Kirvin today to prevent a threatened uprising of negroes as the result of three blacks being burned here Saturday.

Fred Green, negro, was lynched here today, the fourth to die by mob action since the assault and murder of Eula Ausley, seventeen years old, a pretty school girl.

Austin, Texas, May 8.—Governor Neff today ordered two detachments of Texas Rangers to Fairfield, county seat of Freestone county, to prevent an uprising by negroes growing out of the assault and murder of Eula Ausley, a white girl.

The sheriff of the county sent word that negroes threatened to avenge the death of three negroes who were burned at Kirvin Saturday. Capt. Frank Hamer of the Rangers headquarters detachment, was dispatched at once to Fairfield with one detachment. The other detachment will go from Fort Worth, Texas, and will be in charge of Capt. Tom Hickman.

## FORMER PRESIDENT CALLS REED MARPLOT

Woodrow Wilson in Letter to For-  
mer Governor Stephens Says Be-  
lieves Senator Will be Rejected

### FOLLOWS LETTER TO PRESS

St. Louis, Mo., May 8.—Characterizing Senator James A. Reed as a "marplot," Former President Woodrow Wilson has formally asked Missouri democratic voters to reject Reed at the democratic primary in August.

The former president in a letter to Lon Stephens, former governor of Missouri, expressed confidence that Reed would be defeated for re-nomination.

Wilson's communication was in answer to one from Stephens following the former's open letter to a St. Louis newspaper denouncing Reed.

The former president said in his letter to Stephens that he was confident that Reed would be rejected at the polls by the democrats.

The letter indicates that the former president will take an active part in Missouri politics in an effort to defeat Reed.

## WATSON FORCES ARE OPTIMISTIC

Believe Election of George Elliott of  
Newcastle as District Chairman  
Is Very Probable

### COMMITTEE MEETS AT LIBERTY

Republican and Democratic Commit-  
tees Reorganized with Glen Miller  
and J. T. Arbuckle Chairmen

With the county committees reorganized, republican and democratic politicians of the county are now looking to the district organization which will determine the complexion of the state committees of the two parties.

The democrats are not so much interested in the district organization as the republicans, who have a contest for the state chairmanship between Lawrence Lyons, director of the state highway commission, who is regarded as friendly to Senator James E. Watson, and E. M. Wasmuth, present state chairman, who the Watson element of the party is trying to unseat.

The republican county chairman of the sixth district will meet at Liberty Tuesday afternoon at 1 o'clock to elect the district chairman and the democratic county chairman will meet here on Tuesday, May 16, to reorganize their district committee.

Charles A. Hack of Shelbyville, former Shelby county chairman, was endorsed for the district chairmanship by the Shelby county committee Saturday and it is believed that he will be elected.

Senator Watson's friends believe that the republican county chairman will elect George A. Elliott of Newcastle publisher of the Newcastle Courier and former mayor of Newcastle. He is the candidate of the Watson forces and is opposed by Ed Paul of Cambridge City, who is regarded as belonging to the anti-Watson group.

Before the selection of the county chairmen, it was said that Wayne county held the key to the situation, as Union, Shelby and Franklin counties were conceded to the Wasmuth faction and chairmen friendly to Senator Watson were expected to be elected in Henry, Rush, Hancock and Fayette counties.

Paul Comstock, the Watson candidate, was elected at Richmond over Lewis C. Niewoehner, the Wasmuth man, making the lineup five to three in favor of the Watson forces.

Glen Miller was elected county chairman by the Rush county precinct committeemen Saturday afternoon and Dr. Frank H. Green was re-elected vice-chairman. Russell B. Titworth was chosen secretary and Albert L. Winship, treasurer. All of the selections were the unanimous choice of the committeemen, twenty-three of whom were present, only eight being absent. Although no resolution was adopted, sentiment was expressed by a unanimous vote that George Elliott be elected district chairman.

The democratic county chairmen elected J. T. Arbuckle as chairman to succeed John C. Wallace and Miss Hannah Morris was chosen for vice-chairman and Wilbur Stiers, treasurer. The selection of a secretary was left to the chairman.

## HOLD UP NEGRO CRIPPLE

Three Men Escape With \$150 on a  
Busy Street Corner in Indianapolis

(By United Press)

Indianapolis, Ind., May 8.—A daylight holdup on the city's busiest street corner netted three well-dressed men \$150 shortly after noon today, while hundreds of persons were near.

Floyd Basil, 32, a negro cripple, was the victim. Basil had just pocketed the money at a bank. As he stepped on a street car at the corner of Meridian and Washington streets, one of the holdup men crowded ahead of him and the other two behind. In the jam one reached into his pocket and grabbed the money. Basil hobbled over to a traffic policeman and the conductor of the car chased the thieves two blocks, but they escaped.

## EMPLOYMENT FOR MILLIONS FROM PULVERIZED MOUNTAINS

Building Stimulates Local Prosperity — Materials Plentiful and Prices Down

(Copyright, 1922, by Real Estate News, Chicago.)

Next to farming, local prosperity depends upon building activity. The reason is plain. Building is the country's second largest industry. It employs millions of workers directly, millions to make the materials for building, and hundreds of thousands in lumbering, quarrying and mining.

Everyone knows that a building shortage exists. One way to restore prosperity then, is by a lively resumption of building. Materials and labor now are plentiful. Costs are lower. Cement will serve as a good example because it goes into nearly all building.

For every ton of cement, 1 1/2 tons of raw materials and coal must be mined, shipped, assembled, dried, ground, weighed, mixed and then fused at about 3,000 degrees to a hard "clinker." This "clinker" must then be ground again, this time to a powder so fine that 78% will pass through a sieve having 40,000 holes per square inch. To make cement, one literally must "tear down a mountain and put it through a sieve." And yet, cement sells at the mill for about \$3.00 per ton! These facts caused the United States Geological Survey a few years ago to say that "one could not scrape the free sand from the gutter for much less cost per barrel."

### Cement Competition Keen.

That competition has been active is noted in government reports. According to the United States Geological Survey, the production of cement has steadily increased and the price declined. It shows that in 1880, cement sold at \$3.00 a barrel average at the mill; in 1920 at \$2.02; in 1921, at \$1.87. Now it is selling at many large plants as low as \$1.50 a barrel, only half the average price in 1880, and less than the average for the 40-year period covered in the government report.

At one of the country's largest cement plants the price now is 45% higher than in the pre-war year 1913. The latest report of the United States Department of Labor shows the average price of "all commodities" as 51% higher than 1913. Some of the items whose prices enter into this figure of 51% have undergone radical decreases, while others are very much higher than the average of 51%. Few, if any, items of the former class enter into cement manufacturing costs, but several items of the latter class do affect the cement costs. In fact, the principal elements in these costs are labor, freight, water, coal and limestone.

In February, 1922, a cement plant referred to paid for coal at mines

20% more than in 1913, for limestone at quarries 60% more and for labor 54% more. Freight rate on coal was 107% greater and on limestone 52% greater. A comparison of these increases with the increase of 48 1/2% in cement price and 51% in the price of "all commodities" is enlightening.

Cement is so widely used that users themselves have standardized it. Today every cement maker, regardless of his brand, meets the specifications set jointly by the United States government and the country's leading engineering societies. All brands of cement, therefore, are alike.

### Jevon's Economic Law.

Because of this, the prices of various brands of cement in any given market usually are the same. The reason for this puzzles many. But the answer is simple and well stated by W. Stanley Jevons, L. L. D., M. A., F. R. S., in his standard work "The Theory of Political Economy," which says:

"If in selling a quantity of perfectly equal and uniform barrels of flour, a merchant arbitrarily fixed different prices on them, a purchaser would, of course, select the cheaper ones. Hence follows what is undoubtedly true, that in the same open market, at any one moment, there cannot be two prices for the same article."

Applying Jevon's economic law, a simple illustration of cement competition may be cited thus: A, B and C are cement makers. Each seeks business at M, a town with a 30-cent freight rate from A, 35 cents from B and 40 cents from C. This gives A a 5-cent advantage over B and 10 cents over C. A figures he can sell at, say, a mill price of \$1.50, so adds the 30 cents freight and quotes \$1.80 at M. Then if B and C want to do business at M they must meet A's price, requiring B to go 5 cents below A in his mill price and C to go 10 cents below A in his mill price. Unless B and C can make the mill price sacrifices required by the market at M as made by A's \$1.80 price, then A will monopolize the market at M.

Similar principles apply to other materials. Prices are not arbitrarily made. They are based upon supply and demand and upon the cost of transportation, raw materials and labor. Supply of labor and materials now is plentiful. We cannot afford longer to delay needed building improvements. This is particularly true because building is so entwined with the nation's prosperity that a full revival of building will hasten a revival of other lines of business.

H. C. L. DECREASES IN FIRST THREE MONTHS

General Level of Cost of Living is still 6.9 Per Cent Above the Level of Pre-War Days.

LABOR DEPARTMENT REPORT

New York, May 8—Cost of living in the U. S. dropped 4.2 per cent during the first three months of this year, the department of labor estimated today. The decrease since the peak of post war high levels, reached in June, 1920, is 22.9 per cent, the department said.

The general level of the cost of living, however, is still 6.9 per cent above the level of the pre-war days of 1914.

Food is still 38.7 per cent above the pre-war level; clothing 75.5; housing 60.9; fuel and light 75.8; furniture 106.2; miscellaneous 103.3.

The decrease during the first three months is shown by the fact that the various articles in December 1921, were the following percentages above the pre-war level:

Food 50; clothing 84.4; housing 61; fuel and light 81.1; furniture 118; miscellaneous 106.8.

Few Reports However Received From Non-Union Coal Fields

(By United Press)

Indianapolis, May 8—Few reports from non-union coal fields have been received at United Mine Workers headquarters here during the last week, it was learned today, but those coming in indicated further organization of the open shop mines.

Union agents working in all fields where non-union mines are still operating are now facing their hardest fight. The miners who have remained out of the union since the strike started April 1, will offer more resistance to the organizers' efforts than those workmen who were initiated soon after the 650,000 strikers walked out, it was said.

**A Draughty Door.**

Doors that do not fit very well are often the cause of draughts. This trouble may be overcome by cutting narrow strips from the inner tube of a discarded bicycle tire and fastening them neatly down on the door frame. If the strips are cut exactly to fit they will not be noticeable, for the rubber is not thick enough to make the door difficult to close, yet it will entirely exclude all draughts. The rubber also deadens the noise when the door is suddenly banged.—York Post.

At the Mystic for Two Days.

Marguerite Namara, the famous and brilliant young American beauty who has won fame and fortune in two worlds by the voice and dramatic ability, has forsaken the operatic stage to conquer the world of the movies.

Miss Namara will be seen at the Mystic Theatre in her big production, "Stolen Moments," today and Tuesday. The management of the Mystic Theatre, after much negotiation, secured this famous picture, fresh from its Broadway showing, for a limited engagement, and consider it one of the events of the season.

The story of the photoplay is from the prolific pen of H. Thompson Rich, who has written many of the most successful pictures and plays of the past few seasons. He was commissioned at a high price to supply M. Namara with the first film vehicle, and if the metropolitan critics know what they are talking about, his work ranks high among his notable achievements as a writer.

One of the features of the production are the gowns worn by Miss Namara, which were designed by the famous Chicot of Paris and imported to America especially for use in "Stolen Moments."

"Stardust" at Princess.

Realism is one thing that ambitious stars and directors are most anxious to register in motion pictures. They are, in fact, abject slaves to it. Hope Hamilton, star, and Hobart Henley, director, are no exceptions to this rule.

The filming of "Stardust," the intensely dramatic First National attraction, which comes to the New Princess Theatre today for a run of two days, had to be postponed for several days while Miss Hampton recovered from the realistic treatment which she received at the hands of a "brutal husband" in one of the scenes.

Noel Tearle, who gained distinction for his work in "Over the Hill," portrays the role of the brutal, overbearing husband in "Stardust."

But he was too gentle when Director Henley first ordered him to choke Miss Hampton and hurl her to the floor.

"Make it realistic, knock her down as though you meant it," commanded Mr. Henley.

Tearle tried again. Still the director was not satisfied. The scene was repeated several times, and when the desired result was finally obtained Miss Hampton went home bruised and battered, and remained there for several days recovering from the effects.

"It was a pretty strenuous experience," said Miss Hampton, "but I'm glad he did treat me rough, because we certainly gained the best of results. Realistic? I'll say that scene is realistic! Of course, I wouldn't want one like it every day."

## THAT BAD BACK

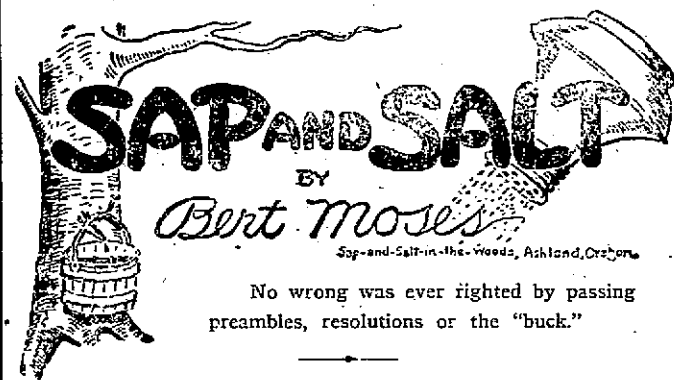

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys—Rushville residents recommend Doan's Kidney Pills. Ask your neighbor! Read this Rushville woman's statement.

Mrs. Will Stout, Cor. N. Oliver & 10th Sts. says: "I can certainly say a good word for Doan's Kidney Pills for they have done wonders for me when I have used them. I was suffering with my back which was very lame and sore. When I did any lifting or stooping, sharp pains would catch me in the small of my back. My kidneys felt dull and they were too free in action. I heard of Doan's Kidney Pills and got a box. They rid me of the trouble in a short time."

## FUNERAL SERVICES TODAY

Mrs. Adolphus Jones Dies at Her Home in Milroy of Tuberculosis

The funeral services for Mrs. Adolphus Jones, aged 42 years, who died Saturday afternoon at 3 o'clock at the late residence in Milroy, were held this afternoon at 2:30 o'clock at the Methodist church in Milroy, with the Rev. R. R. Cross officiating and the Rev. C. S. Black, pastor of the St. Paul's M. E. church here assisting.

The deceased had been ill for ten months suffering with tuberculosis, her condition becoming serious during the last two weeks. She is survived by her husband, five sons, a number of brothers and sisters and her mother and father.

TAIL LIGHTS LET  
DOWN WITH 4 HITS

Hick Farrell, Major League Pitcher,  
is Big Noise With Greenwood  
Team Here Sunday

RECORD OF 17 STRIKE-OUTS

Both Teams Play Air-Tight Ball—  
Snyder, Rushville Pitcher,  
Looks Good to Fans

The Greenwood baseball team of the Southern Indiana league, headed by Hick Farrell, a major league pitcher, had the Tail Lights at their mercy Sunday and won the third contest in the league season by the close count of 3 to 2.

It was an exhibition of high class baseball, as each team played practically air-tight all the way through, and although the big noise was Farrell, Snyder the hurler for Rushville showed up in good style, and looks like a good bet in the box.

Farrell was not only stingy with his hits, but he also was good on fanning out the batters. He allowed four hits, and put up a record of 17 strike-outs. Snyder for Rushville allowed only seven hits, and three in one inning, coupled with an error, lost the game.

The fans who turned out yesterday were well pleased with the showing made by the team, and the way Farrell pitched there is no team in the league that can match up with him.

The next game on the schedule will be at Shelbyville on Sunday and the locals are due to spring a surprise on some of these teams, as they are now getting moulded into shape for the season, and a complete line-up will soon be established that will be equal to any team in the league.

The game, play by play:

First Inning

Greenwood—Broughton out, P. Snyder to Shaw; Worley, up, hit for two sacks to right. Duggan forced Whorley at third, L. Snyder to George; Hinkle out, P. Snyder to Shaw. No runs, one hit, no errors.

Rushville—George, first up, singled on a grounder near first; Barney sacrificed George to second, Stevenson unassisted; Coble fanned; P. Snyder out on a line drive to first. No runs, one hit, no errors.

Second Inning

Greenwood—Brunner singled to center; Eichrodt fanned; Elliott out; Brunner caught stealing, Byrne to

P. Snyder. Batter fanned. No runs, one hit, no errors.

Rushville—Pearsey grounded to Whorley, who fumbled. Shaw was out on third strike. Byrne fanned swinging, and Pearsey reached third. Sharp fled to left. No runs, no hits, one error.

Third Inning

Greenwood—Stevenson out to Shaw, unassisted. Farrell fanned. Broughton was walked. Whorley up, Broughton stole second. Fled out to Pearsey in right. No runs, no hits, no errors.

Rushville—L. Snyder out to center field; George out, Whorley to Stevenson; Barney fanned. No runs, no hits, no errors.

Fourth Inning

This Time Last Year

Ruth got three singles out of six times up against the Athletics.

Princeton beat the world's champion Navy crew by a half-length.

Georges Carpentier sailed from France.

Kelly hit a homer with the bases filled.

George Ugle, Cleveland pitcher, knocked in four runs with a single, a double and a triple.

Tom Griffith hit a home run that gave the Robins a victory over the Giants.

Chick Fewster stole home in the ninth inning tying the score, but the Athletics beat the Yanks in the fourteenth inning.

Sport Summary

New York—Polo teams from England, Argentina, Hawaii and from all sections of the United States have been invited by the Polo Association to play in a tourney at the Ramsey Country Club from Aug. 16 to Sept. 9.

New York—National League club owners will erect a suitable memorial to honor the late "Pop" Anson, according to John Heydler, president of the league. The expenses incident to his illness, his funeral and the transfer of his wife's body from Philadelphia to Chicago, also will be borne by the league.

New York—Brooklyn Robins have released Sam Crane, infielder secured from the Reds, to the Seattle Pacific Coast League club and George Whitted, former Pirate star to Kansas City in the American association.

Boston—"Pop" Geers, veteran grand circuit driver, purchased the pacer Sandaro, 1:59 3-4, from F. H. Downs, Brooklyn, for \$7,000.

New York—Harry S. Page, 60 year old sportsman, rode his sixteen year old Gold Plate to a victory in the two and one half mile steeple chase at Belmont Park terminal. Page wore a patch over one eye and a monocle on the other.

New York—Wally Schang, first string catcher of the Yanks will be out of the game for at least a week with a split hand.

Trenton, N. J.—Branding them as brutal and inhuman, the New Jersey boxing commission has barred the rabbit blow and the kidney punch.

Brunner out, Barney to Shaw. No runs, no hits, no errors.

Rushville—P. Snyder was walked. Pearsey fanned. Huddleson batted for Shaw, fanned, and Byrne made the third out, swinging hard on the third strike. No runs, no hits, no errors.

MERITS WIN ANOTHER ONE.

The Rushville Merits took another game from the Glenwood team Sunday at Glenwood, by the score of 6 to 2. Sailor was the big man at the bat for Rushville, getting four hits out of as many times at the bat, two being triples, one a double and a single. Batteries—Merits, Cave, Christopher and Tyler; Glenwood, Wind and Snoddy.

gave the Braves, 4 to 3 win over the Robins.

Falk hit a homer in the ninth with one on, the White Sox beating the Tigers 9 to 7. Three of Detroit's runs resulted from Cobb's homer with a pair on the paths.

The Reds got to Doak for four runs in the eighth inning but the Cards won, 8 to 5.

The Pirates pounded Alexander, Jones and Cheever hard and beat the Cubs 11 to 5.

Following  
the Floods

THE excessive rains of the past month have seriously retarded farming operations. As soon as field work is possible farmers will be busy night and day preparing the ground and seeding the land that they may maintain an adequate food supply for the nation. This year, for the farmer, time is an imperative factor.

More than 140,000 tractors are owned in the 11 Middle Western States served by the Standard Oil Company (Indiana). These tractors are being overhauled, lubricated, and put in condition to perform essential labor, for which horse power would be totally inadequate.

The number of horse hours per day is limited by the strength of the horse, while the number of motor hours per day is limited only by the number of hours.

During this rush the demand for gasoline will be heavy. The Standard Oil Company (Indiana) is prepared to supply this demand. Its storage tanks and bulk stations located at strategic points throughout the territory are full. Its supply depots, service stations, and tank wagons are prepared to make Red Crown gasoline instantly accessible to the farmer when his need arises.

The Standard Oil Company (Indiana) may be depended upon to perform this service adequately—first, because it has provided sufficient field storage to take care of even an abnormal demand; second, because it maintains distributing facilities which form the most perfect system of its kind.

Only a big organization, big in spirit of enterprise and social service and big in resources, can cope adequately with the growing motor needs of the Middle West. In carrying on its business the Standard Oil Company (Indiana) operates 6 large refineries, 3824 bulk stations, 1521 filling stations, and a fleet of 6600 tank delivery trucks.

It is due to the efficiency of this vast organization that the Standard Oil Company (Indiana) is able to guarantee that the needs of the farmer for petroleum products will be supplied.

The Ladies Aid society of the St Paul's M E church will be entertained Tuesday at the home of Mrs. Manley Pearce, in North Main street and the assisting hostesses will be Mrs. Jone Churchill and Mrs. James Moore.

Miss Vera Reynolds entertained with a prettily appointed dinner party Sunday at her home in Glenwood. Covers were laid for the Misses Elsie and Frances Little, Lucile and Belva Bever and Martha Laughlin.

Mrs. J. T. Arbuckle, Mrs. Sam Innis and Miss Harriet Vredenburg have issued invitations for Candlelight teas to be given Wednesday afternoon, May 10, and Friday afternoon, May 12, at the home of Mrs. Arbuckle in East Seventh street.

The Sons of Veterans auxiliary, No. 19, will hold their regular meeting Tuesday night at the P. O. S. of A. hall. The department president will be present and present the charter. Degree work will be conferred and all members are requested to be present.

Miss Margaret Donnan of Indianapolis gave the last of her series of Lectures in Literature before her class at the Elks club rooms Saturday afternoon. Reading Mrs. Brownings lovely poem, "The Sleep," she paid an affecting tribute to the memory of Mrs. Charles A. Frazee who was for several years a loyal member of this class.

The appearance of a new book by Selma Lagerlof, Miss Donnan said, is always an event to lovers of good literature, and her review of the "Outcast" showed that this latest novel by the Swedish writer has the fine texture of style and wholesome, significant content that characterizes all her work. Miss Donnan discussed at length the new biography of Herman Melville by Raymond Weaver. Because of the extraordinary vogue of South Sea literature in the past few years there has been a remarkable revival of interest in Herman Melville, writer of vivid descriptions of the South Seas, and his famous "Moby Dick" and "Typee" have taken on an essentially modern quality.

Miss Donnan's special subject for her series of lectures this season has

been "The Art of Biography." She has used a score or more of the best biographies in all literature to show the development of this form of writing from ancient to modern times. Emphasis has been put upon the personality written about rather than upon the technique of the biographer. Supplementing her special subject, Miss Donnan has discussed the best of contemporary literature—novel, essay, play and biography. Her clientele is especially fortunate not only in having something new added to the spirit and flavor of old books long admired and loved but in having this discriminating critic's presentation of the new things as they appear.

Miss Donnan will go abroad early in June to spend the summer in travel and study.

Mrs. Will Brown will be hostess to the members of the Shakespeare club Tuesday evening at her home in East Ninth street.

Mr. and Mrs. J. L. Colestock of West First street had as their guests Sunday, F. Darrel Wendling and Marie Biehl of Indianapolis.

Mr. and Mrs. Arthur Trennepohl and children, Mr. and Mrs. William Sharp and Mrs. Elizabeth Trennepohl were the dinner guests Sunday of Mr. and Mrs. Will Trennepohl.

The last dance of the season for the Elks lodge will be given Tuesday evening, May 16, in the Elks club rooms. Wright's orchestra from Columbus, Ohio, will provide the music.

The Men and Women's Bible class of the First Baptist church will hold a business and social meeting in the church Tuesday evening. Every member is urged to be present at this meeting.

Mrs. Roy Lines and daughter Mrs. June Spilman went to Indianapolis Friday where Mrs. Lines attended a luncheon of the Tri Psi sorority and Mrs. Spilman visited the Tri Delta sorority house.

The Pastor's Aid society of the Main Street Christian church will meet in the parlors of the church Tuesday afternoon and Mrs. Walter Pearce's section will have charge of the social hour. A large attendance is desired at the meeting.

Mr. and Mrs. Edgar Noble of North Jackson street entertained at dinner Sunday Mr. and Mrs. Hubert Jones and daughters Margaret and Anna and son Russel of Raleigh. In the afternoon Mr. and Mrs. Clyde Matney and sons John and Homer and Mrs. Effie Link of Glenwood were also guests.

The Woman's Missionary Society of the Sexton Christian church will meet Tuesday afternoon at the home of Mrs. Charles Warrick with Mrs. Casey as the leader. Mrs. Paul Clifton will have charge of the Bible study and the following papers will be read: "Countries and Peoples of Latin America," Mrs. Pratt; "Religious Conditions in Latin America," Mrs. Smith; "Our Responsibilities in Latin America," Mrs. Rogers; Bible questions, Mrs. Pratt. Every member of the society is urged to be present at this meeting.

Donald Porter was delightfully surprised Sunday in honor of his 25th birthday anniversary, with a pitch-in dinner. Those present were Mr. and Mrs. Edgar Whittinger, Mr. and Mrs. Charles Redden, Mr. and Mrs. Ira Allison, Mr. and Mrs. J. W. Redden, Mr. and Mrs. L. B. Weaver, Mr. and Mrs. Lot Redden and daughter Norma, Mr. and Mrs. William Plessinger and children, Mr. and Mrs. Bert Redden, Mr. and Mrs. W. H. Norton of French Lick, the Misses Helen Whittinger, Sadie Bush, Ruth Drake and Mildred Dixon and Lewis Waggoner, Earl Bush and Luther Waggoner.

Mrs. Chester Lee entertained with a birthday dinner in honor of the Misses Thelma and Zelma Shaffer, the event being their fourteenth birthday anniversary. The table was adorned with a bouquet of flowers and the birthday cake held the 14 candles. The guests were the Misses Helen Collins, Juanita Brown, Alka McDaniel, Mary Baldrige, Grace Addison, Pearl Dyer, and Hazel Hayward, Mrs. Claude Sausaman of Richmond, Mr. and Mrs. O. Beckner and family, Mr. and Mrs. Harry Shaffer and Ed Shaffer and family.

In the third grade the skip tones are introduced. Their advancement is regarded as nothing short of remarkable, in view of the fact that they never had any sight-reading of notes until the first of this year. Miss McConnell will be able to make much more rapid progress in the second and third grades next year than she has this year, she believes, due to the foundation which the pupils have laid this year.

## Tribute to Teacher

By SUPT. J. H. SCHOLL  
Mrs. Amy Banes Groom.

Mrs. Amy Banes Groom first taught in the Rushville Public Schools during the fall of 1920, when she substituted for Miss Miriam Retherford from the middle of November until the close of the first term in January following. At the beginning of the second term Mrs. Groom was employed as a part time teacher, teaching Physiology, English and Domestic Science. During this work she displayed such great tact and energy that she was elected to the principalship of the Junior High School for the year of 1921-1922. She assumed her new duties on Sept. 12, 1921, with great enthusiasm and continued in this position until about Dec. 1, when she was compelled to give up the work on account of a severe illness.

Mrs. Groom endeared herself to the teachers and pupils on account of her beautiful character. She was cultured and refined in her tastes. Her patience and persistence in dealing with the pupils led many to feel that anything short of his best was not good policy. She loved her work and was personally interested in every pupil under her charge, inspiring them to their best endeavors. She will be remembered by teachers and pupils for her musical and literary ability in addition to her valuable services as a teacher.

**MISS MARGUERITE K. O'LEARY**, of Reading, Pa., who says she has gained eight pounds and can hardly find words to express her praise for Tanlac for the good the medicine did her.

"I am so happy over what Tanlac has done for me I can hardly find words to express my praise," said Miss Marguerite K. O'Leary, who lives with her parents at 1223 Chestnut St., Reading, Pa. "I wasn't exactly what would be called sick, but for a year I had been all run down and sometimes felt so weak and miserable I could hardly hold up my head. I was so nervous the telephone bell or a door closing would startle me so I would tremble like a leaf."

"I needed something to build me up and give me strength and energy, and that is exactly what Tanlac did. It gave me a fine appetite and improved my digestion. I gained eight pounds, the color came back to my face, my nerves became normal and I soon felt as well as I ever did in my life. It is simply wonderful that medicine could make such a big change in any one. My friends and neighbors are surprised when they see me now, and no wonder, for I look like a different person. Tanlac is grand and I never intend to miss a chance to say a good word about it."

Tanlac is sold by all good druggists.—Advertisement.

## 14 SENATORS TRY TO SOLVE PROBLEM

Did Newberry Case Have Decisive Influence in Bringing About Defeat of New, Question

MAY ALSO INFLUENCE OTHERS

In Some States It Will Not be Factor in Primary But Will be Injected in Election

By LAWRENCE MARTIN  
(U. P. Staff Correspondent)

Washington, May 8.—There are fourteen Republican U. S. senators today who are trying to answer this political problem:

Did the Newberry case have a decisive influence in bringing about the defeat of Senator Harry New of Indiana, and if so what will it do to me?

These senators are: Calder, New York; Crow, Penna.; Dupont, Delaware; France, Maryland; Frelinghuysen, New Jersey; Hale, Maine; Kellogg, Minnesota; Lodge, Mass.; McCumber, North Dakota; McLean, Conn.; Page, Vermont; Pepper, Penna.; Poindexter, Wash.; Townsend, Mich.

Up until the results came ticking in from Indiana the talk about popular reaction to the Newberry case did not interest the case-hardened politicians of the senate, who had weathered what they regarded as many a similar political storm. Today they are giving the Newberry matter another and longer look.

Crow of Penna., of course, is already practically out of the contest on account of ill-health.

In some states the Newberry case will not figure as seriously as in others. In some it will not be a factor in the primary but will be injected into the election by the Democrats. In others it will be the major issue of the primary and if the incumbent survives that, the general election. Nowhere will it be overlooked.

### A Tribute To the Memory of MRS. FRANK CROSS

Once more we pause in the busy cares and joys of life to pay respect to our beloved daughter, wife and sister, **Lula P. Cross**, who heard and answered the last call of life and entered into eternity, May 8th, 1922. As she lies in the hour glass of time runs slow but sure, so must this life give place to life eternal. To youth the time goes slowly by, but as the years come, time seems to pass more swiftly, the ever unwelcome guest who selects a loved one for his own, came silently, bade her come home, quietly and peacefully she accepted the invitation, placing her hands in His left us.

Call not back the dear departed. Anchored safe where storms are o'er. On the borderland we left her. Soon to meet and part no more.

May we who linger still upon the shores of time find our comfort in "Thou who dost all things well," and when the celestial company have assembled, "in the city that hath four square," of all those who knew her here may not one shining robe sway empty, not one starry crown remain unclaimed.

We never knew how dear to us The voice we loved full well We never thought how musical Until its last echoes fell.

The little things that seem our all. Then they seemed as naught Rush through our minds like meteor lights As we linger on the spot.

We never knew how dear they were The meetings past recall. We never thought how sweet the kiss 'Till we heard the last footfall.

Those that are left to mourn her loss, live not without hope for there is a comfort to know that there is a time when the circle will be reunited never to be broken. THE FAMILY. 481f

## Obituary

AMY BANES GROOM

Amy Banes Groom, wife of Stewart B. Groom, and daughter of Mr. and Mrs. H. C. Banes, was born in Indianapolis, September 13, 1892.

She was educated in the Indianapolis schools, graduating with honors from Whittier School and from Shortridge High School in 1910. She entered Butler College in September 1912 and received her A. B. degree in 1916. For the following three years she taught in the high schools at Malvern, Iowa, was principal of the high school at Williston, Florida, and taught Mathematics and Art in School 66 in Indianapolis. At the time of her last illness she was principal of the Junior High School at Rushville, Indiana. She was a lover of music and an accomplished musician.

On July 6, 1918, she was married to Stewart B. Groom, son of Mr. and Mrs. J. B. Groom of Princeton, Kentucky. After Mr. Groom's return from the United States Naval Service, they resided in Rushville, Indiana.

She has been a member of Roberts Park Methodist Episcopal church for fifteen years. She was ever active in Sunday school work both as pupil and teacher; she was a member of the Roberts Park Epworth League and at different times held the offices of first, second and fourth vice-presidents; she was also a member of the Roberts Park Choir for several years. At the age of four years she became a member of the Woodruff United Presbyterian Sabbath school, and later was interested in all the activities of its young people.

She was a member of an old family, her paternal ancestors having settled early in Virginia, and her maternal ancestors in Massachusetts in 1632. Just prior to her last illness steps were being taken for her to join the D. A. R., she being entitled to this honor by both paternal and maternal ancestry.

Since a serious attack of influenza three years ago, she had been in failing health. On December 1st, an attack of intestinal influenza produced the complications which necessitated a surgical operation, January 23rd from the shock of which she never recovered. After eight weeks of patient suffering, she passed into Eternal Rest on Sabbath morning, January 29, at 9:10, at the Methodist Hospital, Indianapolis.

The funeral services were held at the home of her parents, Mr. and Mrs. H. C. Banes, 1556 Brookside Ave., Wednesday afternoon, February 1. Dr. G. M. Smith, pastor of Roberts Park M. E. church, Rev. C. E. Oldham, pastor of Broadripple Christian church, Dr. J. P. Cowan, pastor of Woodruff U. P. church and Dr. W. C. Morro and Dr. Jabez Hall, members of the faculty of the Butler College Bible school, conducted the services. Mrs. Eva Davidson, Mrs. Ernest Foster and Mr. Harry Noble furnished the music. Interment will take place Monday afternoon, May 8, at Crown Hill Cemetery.

She is survived by her husband, Stewart B. Groom, her parents, Mr. and Mrs. H. C. Banes, her sister Gladys Banes Bradley and an aunt, Dr. Alice E. Twichell, in the immediate family, and by a host of relatives and friends.

### An Appreciation

It is hard for us who were her friends in college to realize that Amy Banes will not again meet with us, so strong a hold on friendship did she take. Her enthusiasm for knowledge, for college activities, for spiritual attainment, led us all and fired us to do better work, at least to be ashamed of poor work.

Every aspect of college life was dear to her. We who were associated with her in Y. W. C. A. work were enriched by her spiritual keenness and Christian joy. Since graduation we have seen in her life the same force and intensity. Let us not forget her high ideals and try to live up to them! A CLASSMATE. 481f

### MUTINEERS MARCHING ON FOREIGN LEGATIONS

Ten Thousand Chinese Troops, Remains of Shattered Arm of Gen. Chang Cso Lin, Nearing Tientsin

### WHITES PREPARE A DEFENSE

Shanghai, China, May 6.—Ten thousand mutinous Chinese troops were reported marching on Tientsin to loot foreign quarters. The whites are preparing for a desperate defense.

These troops are the remains of the shattered army of General Chang Cso Lin, seeking revenge for their defeat by General Wu Pei Fu's forces.

Dispatches sent from Peking said scouts had observed the mutineers near the city. The whole foreign population has taken up arms to assist in the defense, the dispatch reported. One American and one British regiment were stationed along the outer lines of defense and the French Ammunition troops were being strengthened by reinforcements.
